

'I can't stop from loving You' – song sharing

The whole world lies in the power of the evil one (1Joh 5:19). Our Lord Jesus also warned his disciples that they were living in an evil and adulterous generation (Mat 12:39). It is a chill reminder of what kind of world we are living. Once we become children of God, we are automatically become Satan's enemy. He will try every trick in his book to lure us to sever our relationship with Yahweh our God. So how do we fight against the power of darkness?

Jam 4:7 Therefore submit to God. Resist the devil and he will flee from you. (8) Draw near to God and He will draw near to you...

Here, we were given the key to overcome the devil. It is through submission to God and drawing near to Him. In other words, when we deepen our relationship with ABBA Yahweh, it will destroy Satan's attack. The more we love God, the more power we have to overcome the evil one. That's why this song 'I can't stop from loving You' is to encourage brothers and sisters not to be disheartened in facing Satan's attack. Turn to Yahweh our God, draw near to Him wholeheartedly in love. And Satan will flee away.
