

In Your Presence is Fullness of Joy – song sharing

King David is known as a man after God's heart. He expressed his longing desire to be with Yahweh in many of his psalms. And one of his psalms that inspires me to deepen my relationship with God is Psa 16:

- He loves the saints on the earth. He delights in them (Psa 16:3)
- He loves the Lord's counsel and instructions (Psa 16:7)
- He has confidence in the Lord who is always before him Psa 16:8)
- He has the fullness of joy in the presence of God (Psa 16:11)

When David became King, he led Israel to victories over other nations. He had established Israel to be a great kingdom in his times. He should be proud and happy of his achievement. Yet, despite gaining all this power, fame and respect from Israel and other nations, he found that only in the presence of God, he has the fullness of joy. The song reminds us that there is nothing in the world that can give us the fullness of joy we experience in the presence of God.
