

Heaven Shall Declare Your Glory – Song Sharing

One time we went for a trip. After we parked our car at the parking lot, we chose one of the trails and started our bush walk. We reached a point where we saw a signpost reading: "Reflection Island – about 45 minutes walk". There was not a soul within sight. But curiosity grasped hold of us and so we ventured to take the long and winding trail to the Reflection Island. When we were on our last turn reaching the end of the trail, suddenly, right in front of us was a beautiful lake. Beyond the lake was the mountain range. The lake was calm and tranquil. The surface of the lake manifested a beautiful reflection of the surroundings. The picturesque scenery captivated us and we stood there in awe giving glory to God. It reminded us of the verse in John 1:18, that Jesus, the begotten Son of God, 'declared' God. Jesus is the perfect image of Yahweh God, reflecting God's glory in him. As Christians, aren't we all supposed to reflect God's beauty in our lives too? That awesome picturesque scenery imprinted in my heart and inspired me to write this song "Heaven Shall Declare Your Glory".
